**Tridium, Inc. Named One of the Fastest Growing Technology Companies  
in Deloitte's Virginia Technology Fast 50 Program  
For the Third Consecutive Year**

**RICHMOND, VIRGINIA**, October 12, 2005 — Last night Tridium, Inc. was named to Deloitte & Touche's "Virginia Technology Fast 50" for the third consecutive year. The Technology Fast 50 is an annual ranking by revenue of the fastest growing technology companies throughout the state. Participants must be a technology company headquartered in Virginia with operating revenues of at least \$50,000 in 2000 and over \$1,000,000 in 2004. Winners are selected based on percentage revenue growth over a five-year period from 2000 to 2004.

"Deloitte's Virginia Technology Fast 50 companies have shown the strength, vision and temerity to succeed in today's very competitive technology environment," said Andrew Harrs, Principal, Deloitte & Touche LLP in McLean, Virginia and Southeast Region Telecommunications, Media and Technology Practice Leader.

"We are proud to be named to this prestigious list for the third time. This validates the strength of our employees and reinforces our business and technology strategies", said John Petze, President and CEO of Tridium.

**About Deloitte**

Deloitte refers to one or more of Deloitte Touche Tohmatsu, a Swiss Verein, its member firms and their respective subsidiaries and affiliates. As a Swiss Verein (association), neither Deloitte Touche Tohmatsu nor any of its member firms has any liability for each other's acts or omissions. Each of the member firms is a separate and independent legal entity operating under the names "Deloitte & Touche," "Deloitte Touche Tohmatsu," or other related names. Services are provided by the member firms or their subsidiaries or affiliates and not by the Deloitte Touche Tohmatsu Verein.

Deloitte & Touche USA LLP is the U.S. member of Deloitte Touche Tohmatsu. In the U.S., services are provided by the subsidiaries of Deloitte & Touche USA LLP (Deloitte & Touche LLP, Deloitte Consulting LLP, Deloitte Tax LLP, and their subsidiaries), and not by Deloitte & Touche USA LLP.

**About Tridium Inc.**

Tridium, a global technology company is the inventor of the Niagara Framework<sup>®</sup>, an open software framework that integrates diverse systems and devices—regardless of manufacturer, communication standard or software—into a unified platform that is easily managed and controlled in real time over the Internet or intranet using a standard web browser. System integrators use Niagara products to provide true open solutions without regard for specific protocols, products or technologies. Manufacturers adopt the Niagara Framework technology to move their products to the web, reduce development time, migrate legacy systems, develop new service offerings, and open up new markets. Today, there are over 40,000 instances of Niagara operating in over 6,000 installations worldwide in applications that include: energy management, building automation, telecommunications, security automation, M2M, lighting control, maintenance repair operations (MRO), service bureaus and total facilities management – all realizing improved operational efficiencies, reduced costs and greater returns.

Tridium is a privately held software company headquartered in Richmond, Va., with subsidiaries based in London and Singapore. Tridium markets its products to value-added resellers, original equipment manufacturers and a network of Tridium Systems Integrators.
