

“AX Reporting - Tech Session for Building Report Px Files”

October 2007

James Johnson - Sales Engineer

Welcome!

- The goal of TridiumTalk is to share with the Niagara community timely content on sales, products and technical topics. Each session will last between 45-60 minutes and will be a mix of presentation, demonstrations and Q&A.
- This session and past sessions will be posted on our community web site at www.Niagara-Central.com (more details to come)
- The content presented here is representative of Tridium's Niagara technology and products in general, please contact your channel partner for specific details and pricing.
- As a courtesy to others in the conference, please place your phone on mute until the Q&A portion of the program

AX Reporting

Agenda:

- Report Service Overview
- Using Component Grid Objects for Equipment Schedules
- Report Pane Configuration and Usage
- Bound Table Examples using BQL
- Configuring Reports for Automatic Export
