MARKETPLACE ENHANCEMENTS

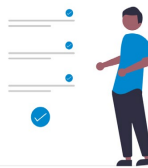

Missed the TridiumTalk? [Watch on demand](#) to hear Bob Neubaum, Niagara Marketplace Product Manager, provide highlights of the Niagara Marketplace followed by an overview and product demo by Baudrate and Diverse Controls.

Niagara Marketplace Blog [page](#) is now available and features articles on different topics such as IoT, information systems, BAS, products, and more.

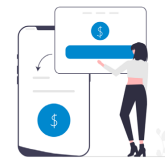

COUPON REPORT (SELLER)

Coupon management can be challenging without the right tools. The new coupon report available on the Niagara Marketplace enables sellers to analyze the coupon activity more efficiently.

STOREFRONT ORDER VIEW (SELLER)

The enhanced storefront order view offers a 360° order view that includes license status, license type, free trial status and more. Knowing the order status is much simpler and easier.

GOOGLE PAY (BUYER)

Introducing Google Pay at checkout.
