NEW FEATURE: TRY & BUY NOW AVAILABLE

Sellers now have the ability to offer a trial through the Niagara Marketplace on select content. The new try & buy feature allows buyers to try a product for a 7-day trial period. After the 7-day trial period, buyers will receive the full license unless they choose to cancel before the end of the 7-day trial period. Find out more by visiting Niagara Marketplace.

ABOUT US

Tridium is a world leader in business application frameworks — advancing truly open environments that harness the power of the Internet of Things. Our products allow diverse monitoring, control and automation systems to communicate and collaborate in buildings, data centers, manufacturing systems, smart cities and more. We create smarter, safer and more efficient enterprises and communities — bringing intelligence and connectivity to the network edge and back.
