SUITE

**NS**2024

The background is a dark blue gradient with a network of thin white lines connecting various nodes. The nodes include cloud icons with a keyhole inside, some of which are enclosed in 3D wireframe cubes. There are also small, glowing blue squares and circles scattered throughout the network.

niagara  
remote™

The background is a dark blue gradient with several glowing blue cubes of varying sizes. Thin, light blue lines connect some of these cubes, creating a network-like structure. The cubes have a 3D effect with visible edges and some internal lighting.

# niagara recover™

The background features a dark blue field with a network of glowing blue lines and nodes. Several nodes are represented by square frames containing a cloud with a keyhole icon. The central node is the largest and most prominent. Other nodes of varying sizes are scattered throughout the scene, connected by thin, light blue lines that create a sense of a distributed system or data flow.

COMING IN 2025

■  
niagara

A high-angle, nighttime photograph of a city skyline, likely New York City. The image is filled with numerous skyscrapers, many of which are brightly lit with interior and exterior lights. Some buildings have prominent logos, such as 'ARCOM' and 'citi'. The streets below are visible, with cars and traffic lights creating a pattern of red and white lights. The overall atmosphere is one of a bustling, vibrant urban environment.
