eSight Energy, Platinum Sponsor of the [Tridium Niagara Summit](#), to demonstrate eSight energy management software's state-of-the-art [oBIX](#) protocol collection ability

Schaumburg, IL (January, 2012) - [eSight Energy, Inc.](#) has signed up as a Platinum Sponsor of the [Tridium Niagara Summit](#) on April 29th-May 1st, 2012 at the Red Rock Resort in Las Vegas.

"[eSight Energy](#) has developed a new, impressive method for mass collection of [oBIX](#) data feeds at remarkable speeds," said Janie Jefferies-Freer, President of eSight Energy, Inc. "We now have current eSight customers processing over 20,000 individual [oBIX](#) data feeds from multiple locations every 5 minutes."

The [eSight Energy](#) team will be providing live demonstrations of the innovative integration between Niagara Framework and eSight at "The Innovation (R)Evolution" event. eSight's advanced, web-based energy management platform simply imports energy usage data from the Niagara Framework using the [oBIX](#) protocol.

The [Tridium Niagara Summit](#) brings together building owners, engineers, system integrators, facility managers, and other energy industry experts to discuss the latest developments in energy efficient and intelligent buildings. To learn more about the [Tridium Niagara Summit](#) or to register to attend, visit [eSight Energy's](#) events page at <http://www.eSightenergy.com/Sales/Events.aspx>
